

Basketball Season Student Fan Guidelines

Dear Students and Parents:

Supporting athletics is an important part of the culture of Timber Ridge Middle School. Our athletes work very hard throughout the season at both practices and games and we want our students to be able to celebrate and support their efforts. This year in order to make this experience positive for all, there are certain guidelines that should be followed during the basketball season. Violation of any of the guidelines listed below could result in a student being prohibited from attending one or more games.

1. Students are required to be in designated supervision area (usually the café) until the supervisor moves them into the gym. Requests to go to the snack table or vending machine prior to a game must be cleared by a staff member or an administrator.
2. Students are not allowed to leave school/campus and return unless with a parent.
3. All backpacks should be in the gym with you during the game. Students will not be permitted to return to their lockers before, during or after a game.
4. During the games cell phones should remain in backpacks. The purpose of attending games is to show support to our teams.
5. Students should remain in the bleachers during the games. Restroom and snack breaks will be allowed in between quarters and halftime (after the cheer team performs) only.
6. Students are expected to show positive sportsmanship as outlined by the guidelines read at the beginning of the game. For example, no booing opponents, stomping feet in the bleachers or making noise during free throw shots.
7. Students must be picked up no later than 5:45pm. Exceptions will be made for students whose parents are in attendance of the game.
8. Students must have their ID with the Basketball Season sticker on the back to attend games.

This signed agreement is good for the entire basketball season both boys and girls. All students must return this form to the main office in order to receive their season sticker to attend any and all games.
