

Introduce a Girl to Engineering Day

Are you a 6th-8th grade girl interested in STEM?

Through activities and conversation we will:

- -Help you understand what engineers do
- Help you see that science, technology, engineering, and math are great career fields for women
- Give you the opportunity to interact with Engineering role models
- Build your self -confidence and critical thinking skills
- Help you figure out the next steps to becoming an engineer

Saturday, April 7, 10 am- 2:30 pm

Check-in 9-9:45 am

Lunch included

\$15 by mail, \$20 at the door

**Olivet Nazarene University Reed Hall of
Science - Bourbonnais, IL**
