- > If you are scheduled to be at Crew Practice and you were at school but missed Crew Practice, then you **MUST** have a written and signed note explaining why you missed. Do not be at school and just decide you do not want to go to practice on your scheduled day.
- > You **ABSOLUTELY** can NOT miss your scheduled performance night (Friday or Saturday, April 26 + 27)
- > ALL Crew members **MUST** be present for Saturday evening's performance, even if you are not scheduled to be on stage for that evening's performance.
- > No one leaves Saturday evening until the job is complete. Everyone **MUST** sign-out with Mr. Hughes after everything has been struck.
- > You **MUST** have already made arrangements for a way to get home after practice. You will be dropped from Drama if this becomes an issue!
