Join Google Classroom by Smart Phone or Tablet

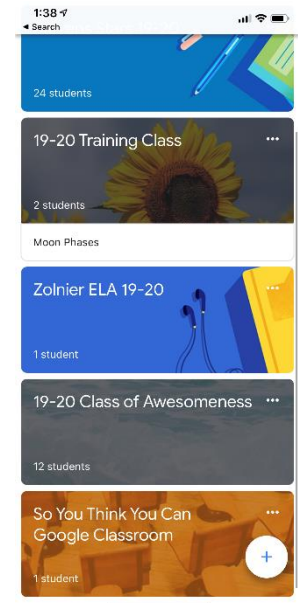

Download the Google Classroom App from the App Store or Google Play

Once downloaded, login with school email (ID#@psd202.org)

Remember that if you've NEVER used Google Classroom, you must create an account before being able to sign into an account.

Interface looks almost identical to computer version. Students can access everything from a phone or tablet that can be accessed on a computer.

Either join a class with class code or enter already joined classrooms.

Join Google Classroom by Xbox or PlayStation

There is not an app that can be added to the gaming console. Instead, use the built-in browser that comes with the device (Microsoft Edge for Xbox and www browser on PlayStation).

Access the search function on the home screen if uncertain how to find the online browser. Use a keyboard or gaming controller to type, click and select.

Type classroom.google.com in the URL bar

At the Google prompt, type student's district email (ID#@psd202.org)

Remember that if you've NEVER used Google Classroom, you must create an account before being able to sign into an account.

Classroom home screen will open. Either join a class with class code or enter already joined classrooms.
