August 2020

Dear Timber Ridge Parents,

On behalf of our faculty and staff, it is my pleasure to welcome you and your child(ren) to Timber Ridge Middle School for the 2020-2021 school year. By this time, your child should have received all their school materials and a laptop computer to use for instruction. As we begin this school year, our primary focus is on you and your family. The two questions that we will ask you are:

1. How are you doing?
2. What do you need from us?

We are very excited to continue the work that has developed our school as an exemplary middle school and is developmentally responsive to the needs of your child. Now more than ever, the partnership between home and school is one of the most important relationships in determining the success of our school. With our shift towards **Remote Learning** this fall, we invite you to be an active part of your student's middle school experience. Despite the numerous factors that influence your child, you as parents are still the most important influence in student's lives. The success of your child involves everyone to "Make it Count". We will achieve this goal with the help of your child to:

- *Be Intentional*
- *Be Unforgettable*
- *Be Amazing*
- *Be Fearless*
