**Encore Selection Information for the 2021-2022 School Year**

Greetings,

Believe it or not, we are in the planning stages for the 2021-2022 school year. Yes, you read that correctly. 2021-2022 is not a far off as you think it might be. So here is what we need to do. Informational videos are being presented to current 6<sup>th</sup> and 7<sup>th</sup>-grade students this week. Links for the videos will be available on the website and in their student google accounts. All material for course selection will be online and I will provide links for you to access. Presentations, directions, and a helpful how-to video will also be available for you.
