Encore Selection Information for the 2022-2023 School Year

Greetings,

Believe it or not, we are in the planning stages for the 2022-2023 school year. Yes, you read that correctly. The 2022-2023 school year is not as far off as you think it might be. So here is what we need to do. Information will be presented to our current 6th and 7th-grade students this week. Links will be available in their student google accounts. All material for their course selection will be online and I will provide links for you to access for the Presentations, directions, and a helpful how-to video for you as shown below.
