

Art Club

Hooray for Art! Mr. Hietikko will be offering a variety of art experiences to Timber Ridge students this school year, from 3:00-4:30 p.m. on Thursdays twice a month starting September 15th. We will have a short informational meeting on the 15th of September till 3:30. We will be giving students an opportunity to work with materials that they would usually not have a chance to work with during art class. Our goal is to introduce these materials and techniques to the students and allow them to use art club time to **express themselves** and utilize their **CREATIVITY** hang out with **Friends and Have FUN!**

With our current COVID Guidelines, flexibility is necessary, and changes may have to be made depending on numbers and space. Google classroom code: **lsbwhf7**

Please fill out the permission slip below and return it, to Mr. Hietikko in room 156.

We are looking forward to having a great year! See you then!
